Parent and Family Engagement Budget Survey

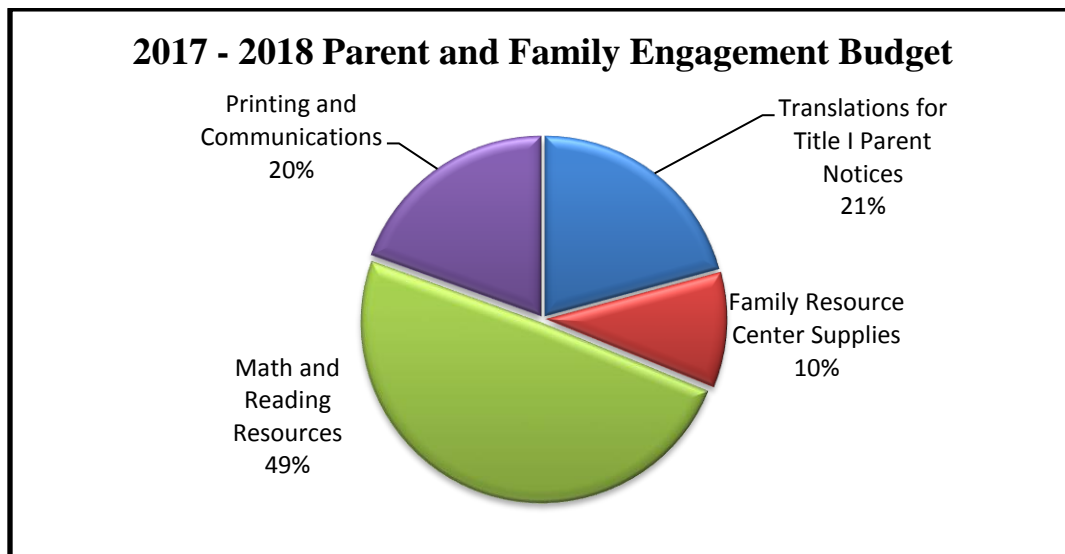

East Clayton Elementary School
Clayton County School District
September 13, 2018

Dear Parents and Family Members,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parent and Family Engagement money. Over the last few weeks, our school held various meetings with parents and family members to revise our school's Parent and Family Engagement plan for the school year. We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents and family members have asked for a place at the school where they could meet and learn how to better support their child's learning
2. Parents and family members asked for more resources on how to help their child in reading and math
3. Parents and family members stated that they would like to have academic workshops on helping their children in core content areas, school projects, and homework.
4. Parents and families explained how they will utilize resources and communications with the school to support student needs.
5. Parents and families explained how they liked having access to free academic resources and assistance through the parent liaison

We have \$2,108 in the Title I Parent and Family Engagement Budget. Last year, we had \$1,976 and we spent the money this way:

This year, given our parents' request to have a space where they could meet and learn how to better support their child's learning, we've created a family resource center at the school. We would like to use that money towards supplies and materials for the family resource center, in efforts to increase student achievement. We would like to spend the Title I Parent and Family Engagement budget this way:

Do you agree with how we have budgeted parent and family engagement funds for this school year?

☐ Yes

☐ No

If no, why not? _____

Do you have any other suggestions for the use of funds? These will be taken into consideration for this school year and future school years.

Please return this from to your child's teacher, or drop it by the school office by September 21st. If you have further questions, please feel free to contact Dr. Givens, Principal, at (678) 827-7927 or
